1. Introduction

The Queen's Church of England School ("the School") is keen to see that the premises, facilities and grounds ("Premises") at our school are used for the benefit of the whole local community. In addition we recognise that, in times of straitened budgets, letting of our premises presents an opportunity for supplementing the school's funding. The education of children is the prime purpose of our school; however, we believe education is a lifelong process which should be open and accessible to all.

As such, it is the desire of the School that these facilities are made available to local individuals and groups ("Hirers"), provided that this does not conflict with the work of the school, the interest of its pupils, or the wellbeing and workload of its staff, and that such lettings do not create a nuisance. All such lettings shall be consistent with the aims and provisions of the Community Use Agreement(s) between the School and the Local Authority (available to view on the School's website).

The School recognises and supports the following principles:

- The Premises represent a significant capital investment and should be fully utilised
- The Premises are a valuable community resource
- Use of the Premises for educational purposes should be given priority when lettings are considered
- Making a profit from private or commercial lettings is desirable, but is not the primary object when letting for educational activities
- Lettings will be considered for a wide range of activities including (but not necessarily limited to) community use for extra-curricular sports, recreation and teaching purposes, after-school and holiday clubs, children's groups, one-off birthday parties and other family-based party bookings

Any lettings of the Premises to outside organisations or individuals will be considered with these principles in mind.

In this Policy "Premises" means the buildings, facilities and grounds of The Queen's School and "Letting Facilities" means the parts of the Premises which are the subject of any particular Lettings Contract between the Hirer and the School.

2. Overview

This document details the Lettings Policy and procedures relating to lettings; available facilities, and the roles of both the School and the Hirers of the Letting Facilities. It also sets out the current scale of charges.

The School recognises that the terms on which it is appropriate to let any part of the Premises may depend on whether the Hirer is a one-off individual hirer or a commercial and/or repeat hirer.

The final decision on compliance with this Lettings Policy lies with the School.

3. Definition of a letting

A letting may be defined as:

“Any use of the school buildings, facilities and grounds by parties other than the school and its partners. This may be a community group (such as a local music group or football team), or a commercial organisation (such as the local branch of ‘Weight Watchers’)”.

The following activities fall within the corporate life of the school. These activities are not considered to be lettings and costs arising from these uses are therefore a legitimate charge against the School’s delegated budget:

- Governing board meetings
- Extra-curricular activities for pupils organised by the School
- Before and after school care provision and activities for pupils of the School
- School performances
- Parents’ meetings
- Meetings of the Parent Staff Association (“PSA”)
- PSA organised events

4. Insurance

The public liability cover provided through the DfE’s Risk Protection Arrangement covers schools against claims for injury or damage to members of the public that may arise due to the school’s negligence.

All organisations wishing to use any part of the Premises should have their own public liability insurance to cover them for any services and activities they provide on the Premises as a whole (including but not limited to the Letting Facilities), and must have their own employers’ liability insurance if employing staff or volunteers. The original insurance document should be seen by the School at the time of entering into the Lettings Contract and a copy taken by the School and kept on file.

All private hirers should ensure they are separately covered for their liability to their clients or guests and we would recommend that the Hirer check that all businesses and service providers providing goods or services to the Hirer (e.g party entertainers) have suitable valid insurance coverage in place.

5. Safeguarding

Regular and/or commercial/organisational Hirers providing services to children, whether pupils at the school or others, must have suitable and regularly reviewed policies and procedures in place to ensure children’s safety, which are compliant with all applicable legislation and guidance.

Such Hirers must provide satisfactory evidence of these to the School as required e.g. Child Protection Policy, DBS Checks.

Private/one-off Hirers are required to have a minimum number of DBS-checked adults in attendance and to enter into a Safeguarding Children Agreement as part of the terms of their Lettings Contract with the School which sets out the safeguarding protections which they undertake to comply with whilst on the Premises.

The School shall have regard to the principles and procedures in its own Child Protection Policy at all times and will address any potential safeguarding issue associated with any Hirer or letting in accordance with those principles and procedures. A copy of the School's Child Protection Policy is available on our website in the "School Policies" section and all Hirers should familiarise themselves with its terms.

6. Charges

The Headteachers is responsible for setting charges for the letting of the Premises.

The scale of charges will be reviewed annually by the Headteacher. The current charges are available on request and will not exceed the Local Authority recommended maximum rates.

For the purpose of charging, the Headteacher is empowered to determine to which group any particular prospective Hirer (whether individual or organisation) belongs. The Headteacher is also able to offer any discounts or agree a subsidy for any lettings, as they deem appropriate at their sole discretion. The basis of charging will be determined by the purpose for which a letting is arranged and the facility which is being hired.

The School is constrained by law to apply value added tax to all transactions where this is appropriate. Generally, the letting of any part of the Premises to non-commercial Hirers for non-sporting activities is exempt of VAT, whereas generally sports lettings are subject to VAT (unless block booked in certain circumstances). The Lettings Manager will advise whether VAT is payable on any booking.

The minimum hire period will be one hour.

7. Security

The Headteacher has authority to determine the security risk for each letting and will be responsible for allocating a continuous security presence or other control measure as he/she deems appropriate.

8. Management of lettings

The-Headteacher has delegated day-to-day responsibility for lettings to the School's Facilities and Lettings Manager ("Lettings Manager") who can be contacted at lettings@queens.richmond.sch.uk. Where appropriate, the Headteacher may delegate all or part of this responsibility, such as security, child protection to other members of staff, whilst still retaining overall responsibility for the lettings process.

If the Lettings Manager has any concern about whether a particular request for a letting is appropriate or not, he/she will consult with the Headteacher.

The Hirer has responsibility for ensuring that any person engaged or in attendance at the Letting Facilities during the period of hire (as the Hirer's guest, participant, employee, subcontractor, service provider or otherwise) is familiar with and undertakes to comply with the terms of this Lettings Policy.

A termly report on lettings will be made by the Lettings Manager to the Finance Committee of the Governing Board and will include information on users, finances, incidents and accidents, enquiries, and any lettings refused.

9. Considering applications for lettings

Individuals or organisations seeking to hire any part of the Premises should approach the Lettings Manager who can be contacted at lettings@queens.richmond.sch.uk .

An Initial Request Form, attached at Appendix 1 to this Policy and available on the School's website, should be completed at this stage, clearly stating the proposed Letting Facilities, booking details and associated access arrangements to and from, and within, the Premises. A record of all enquiries should be kept on file.

The Headteacher (or delegate) will consider the Initial Request Form and raise any queries and/or make any requests for additional information as soon as reasonably practicable. Any changes which the Headteacher (or delegate) require to be made to the proposed letting will be noted on the Initial Request Form, which shall subsequently form part of the Lettings Contract between the Hirer and the School.

Key payment terms shall also be agreed on the Initial Request Form.

The Headteacher (or delegate) will decide on the application with consideration to:

- The priorities for lettings agreed by the School and set out in the School's Lettings Policy and having regard to the provisions of the Community Use Agreement(s)
- The availability of the facilities and staff
- The School's equal opportunities, health and safety, safeguarding policies and other relevant policies
- The health and safety considerations such as numbers of users, type of activity, access requirements, qualifications of instructors etc. and the requirements of any other Hirers who may be using other Letting Facilities at the same time.
- the likelihood of any damage or nuisance which may be caused or arise at any time as a result of the letting.

10. Issuing a lettings contract

Once a letting has been approved in principle by the Headteacher, confirmation will be sent to the Hirer, enclosing a copy of the relevant Lettings Contract. At the same time, the School will provide contact details for the relevant Site Manager who will be in attendance at the time of the proposed booking(s) and who will be the Hirer's point of contact during the letting.

The Lettings Contract should then be signed and returned to the School. The School shall be in receipt of these signed copies before a letting takes place.

The Hirer will be invoiced in accordance with the provisions in the Lettings Contract and the current scale of charges. The School reserves the right to require payment in advance in order to reduce any possible bad debts and/or to require a refundable deposit over and above the lettings charge, as a surety against damage to the Premises, including any equipment, or the Premises being left in an unacceptable condition, incurring of additional costs for cleaning, caretaking or other expenses. Deposits must be paid within 72 hours of a request by the School. Failure to pay the deposit within this time will result in the letting becoming void. The decision as to whether a deposit is refunded rests with the Headteacher. Recovery via such deposit for any such losses is without prejudice to the School's right to claim against a Hirer for any damage to the Premises and/or the Letting Facilities caused accidentally, wilfully or negligently and such Hirer shall indemnify the School in relation to such losses.

An official receipt will be issued for all payments received. All lettings fees received will be paid into the School's individual bank account. The income and expenditure relating to lettings should be clearly recorded by the School and reported in accordance with all relevant local authority guidance.

The Headteacher has the right to refuse an application, and no letting should be regarded as "booked" until approval has been given in writing and/or payment received in full (unless agreed otherwise).

The reason for refusals should be recorded on the bottom of the Initial Request Form and fully explained to the enquirer.

11. Conditions for lettings

The following Conditions for Lettings are deemed to be incorporated into each Letting Contract unless and to the extent expressly varied by the terms of a Lettings Contract.
