## A Message from Ms Stroud-Turp

Dear Queen's families,

As we near the end of term, this is the last newsletter for the year and the last Queen's school newsletter!

*Goodbye:*

*I too am writing my last letter with sadness but also great pride as I reflect on our wonderful school. Having been at the school for the last 18 Years in many roles and having taught so many children/families, it is hard to leave such a special place.*

*It has been a privilege to be the Headteacher for the last few years and work closely with our dedicated staff, governors, clergy and PSA. The pupils at Queen's are unique and I have loved every minute of getting to know your amazing children and follow their learning journey through the school. There have been many*

*challenges, COVID, heatwaves, strikes, but the school community has always been a strength – thank you parents for all your support.*

*Queen's remains in the hands of a strong leadership team, Ms Verge and Ms Demir, who hold the school values at the heart of all they do and I know you will welcome Mr Corke, the interim Headteacher. I thank you for all the kind words and good wishes as I approach my retirement. (Ms Stroud-Turp)*

Thank you to all the families who attended the Summer Fair and all the parent volunteers who helped to plan, set up and clear away – an amazing team effort which was a great community event, fund raiser and such fun. As the PSA team finish their time, we thank them for their amazing fundraising efforts. Chaired by Rebecca Geitgey, the PSA have worked tirelessly to fund raise, have been innovative and introduced new technology to ease the running of events. They are a hard act to follow, but we are delighted that we have a new team of enthusiastic parents taking on the committee roles - the new team will be welcomed in September.

As we move towards being The King's School, The Shoe Station, our uniform supplier, are offering 2 for the price of 1 on all Queen's uniform. They also have order forms for the new King's winter jacket - do call in or look online.

It was lovely to see so many parents at Sports Day and celebrate the amazing athleticism and teamwork of our pupils. Our year 5 Sport Leaders excelled in their roles in planning, organising and leading the KS1 activities, where the pupils were introduced to sporting competition through a range of skill-based, team activities. We thank Mr Megrah (our PE lead) and the PE team for their hard work in scheduling such an action packed sporting day. We are grateful to the PSA for providing refreshments on the day.

Today we enjoyed an amazing performance by Year 2 pupils – singing, narrating, dancing and performing with great passion, enthusiasm and skill – well done year 2 and thank you to parents for joining us and celebrating their many talents.

We are proud to announce that our catering team have been awarded 'The Top performing School Kitchen' in the borough. This award is for the quality of food, the service and the relationships with the school and pupils. We are very grateful to Sue, our kitchen manager and her team who provide such excellent lunch provision every day – always with a smile, guiding every child in their choices and encouraging children to try new dishes.

Next week we join year 6 for their end of year production and then their leavers' service on the last day of term. We wish all our year 6 pupils a successful start at their new schools and send our best wishes to all the families for whom this is their last year at Queen's.

We look forward to seeing everyone on Monday for our open afternoon, we hope you enjoy seeing the classrooms and meeting your child's new teacher/s for the next school year.

We share our school prayer:

*Bless O Lord our school  
Unite our hearts in love and peace  
Help us to listen, learn and understand  
That we may grow in your strength and love  
Through Jesus Christ our Lord  
Amen*

As always, our newsletter is packed with all the exciting learning that has been taking place over the last few weeks of term, some of which can be seen in the photos below.

Wishing all our families a fantastic summer break, and we look forward to welcoming you back to school on **Wednesday 6<sup>th</sup> September**.

(We will be sending some information out next week in preparation for the start of term and highlighting some of the achievements this year).

Ms Stroud-Turp – Headteacher, Ms Verge - Deputy Head & Ms Demir – Assistant Head

Enjoying our outdoor learning across the curriculum

## Lost Property

Please help instill our school values of Love Compassion and Respect into our children by encouraging them to look after their belongings.

**As we get towards the end of the school year, our lost property will be displayed outside the school office for you to check until 15<sup>th</sup> July. After this day, all school items will be given to the PSA to resell and non school items will be given to local charities.**

## Parent/Carer Helpers Needed

### Volunteering in school – Get ahead for the next school year

There are a few ways you can volunteer:

Reading – we have many children across the school that would benefit from daily reading to an adult. (30 minutes after drop off or before pick up)

Times tables practise – activities provided

Lunchtimes – supervising children collecting and eating their lunches (12-1pm)

We value and appreciate any time that parents/carers can offer to the school.

If you are able to volunteer regularly, we would be grateful for any time that you could spare. Please contact Mrs Demir at [info@queens.richmond.sch.uk](mailto:info@queens.richmond.sch.uk)

All adults in school and on trips are required to have a current DBS check. Please ask your reps or contact the school office to find out more.

We will offer an induction session for all parent/carers helpers to ensure you understand the role and expectations. Please find the induction information [here](#), where you will be required to read information and complete the **Induction Form**.

When you have completed your Induction form please bring it to the school office.

All parent helpers will need to complete the induction, even if you have previously done so. I am sure that you all realise the importance of this safeguarding procedure. If you require any support in completing this induction please contact the school office.

Thank you for your time and we look forward to welcoming you as a parent helper at The Queen's School.

# KS1 Sports Day

## KS2 Sports Day

Thank you to our fantastic Sports team for a day of Sport on Wednesday. What a smooth operation, enjoyed by everyone. It was great to see our values of Love Compassion and Respect on show with so many displays of positive sporting values and fair play. Congratulations to Cumberland who were the overall winners but the scoring team kept us in suspense to the very last minute as it was so close between all four house teams – well done to all our athletes.

Year 3 and 4 enjoyed some extra fun activities, created and run by Year 5 Sport Leaders, in the morning of Sports Day.

Thank you Year 5

Willow Class at the Farm

Holly Class at the Farm

## Year 1

Year 1 creating their own mini beast habitats in Science. We have been discussing what they might need to think about to ensure the mini beasts will adapt well to their shelter.

Year 2 have been busy preparing the stage for their Animal Rumble show this week. They worked so hard to create some incredible pieces which they can't wait for their parents to see. They've also been working on their acting and singing, showing determination and resilience throughout rehearsals.

### Playground Scavenger Hunt

We had to find as many things on the list as we could. Some were quite easy but we had to get creative to match some of the items!

### Namaste!

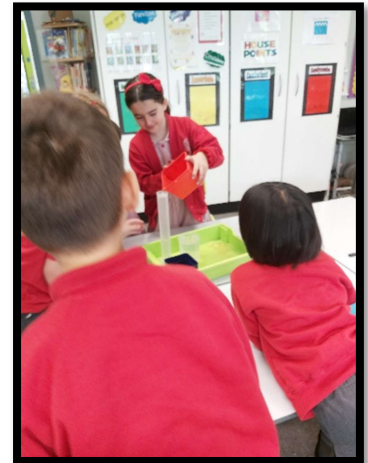

Year 3 enjoyed a trip to the Neasden Mandir to conclude their Hinduism unit in RE. We were wowed by the beauty and size of the Mandir and enjoyed sharing 'Aarti' with them.

Back at school we designed our own Rangoli patterns and drew them on the playground in chalk. A Rangoli is a Hindu pattern which they use to decorate their homes and Mandirs. They are colourful and symmetrical and are sometimes made from coloured rice.

Everyone was getting active in maths learning our tables and using measuring cylinders to read scales and measure accurately.

### Which way now?

We followed a map as we walked around Kew looking for landmarks and using directions. When we returned to school we drew our own sketch maps of our local area.

2 examples of our sketch maps by Lucas and Thomas

## Year 4

We sampled some different foods that the Mayan people would have eaten

Year 4 learnt about types of foods which were eaten in the Mayan civilization. We learnt about how hot chocolate was invented and the importance of maize, beans and squash. They were often referred to as 'The Three Sisters'. After learning about the types of foods, we had a taste of some of them. We tried dark chocolate, as it was the closest taste to the cacao bean, beans, corn, avocado and tortillas.

## Year 5

Year 5 had a fantastic time at Hampton Court yesterday to round off our Tudor topic. We were shown around some of the Tudor parts of the palace by Lady Willoughby, who also told us all about the different jobs at King Henry's Court – from cleaning the toilets to turning the spits, as working as a maid for the king to being a musician in the Great Hall. Oh, and just ask us what the Groom of the Stool got up to! We also enjoyed the chance to take in the incredibly beautiful Chapel Royal and listen in on a very important conversation regarding the King's marriage to Anne Boleyn in the Council Chamber. All in all, a really enjoyable day out with a great chance to see our History learning in context. Well done, Year 5, on being a credit to Queen's.

## Year 6 School Journey Assembly

After a fabulous week on school journey in Osmington Bay in June, Year 6 led an assembly telling KS2 all about their trip, the activities done and how they all link to our Learning Certainties.

## History and art: World War II propaganda

As part of our study of World War II, we have been reviewing the use of propaganda and, as a class, recreated two classic propaganda posters, one focused on the home front and the other on the military. A big thank you to Claire Brennan for her sterling work on this project - we couldn't have done it without you

## Year 6 transition

As Year 6 enter their final weeks of primary school, we are ensuring they are ready for their move from Queen's to secondary school.

### **Year 6 production - *Star Warts: The Umpire Strikes Back***

Rehearsals have been in full flow for this year's supersonic Year 6 production. This week, children were given the opportunity to use some of the many wonderful props and scenery they have been making as well as getting into costume for our first dress run. Sharing the stage and set with Year 2, we haven't gone fully into space yet. If you want to see Queen's transformed into outer space, come and see the show! Tickets are now on sale for the two evening performances - **Tuesday 18th and Wednesday 19th July** - via <https://www.pta-events.co.uk/queenskewpsa/index.cfm> All are welcome to travel into space for an intergalactic evening! The show will also be performed to the whole school next week (KS1 - Monday, KS2 - Tuesday).

Last week, we shared our final Eucharist for the year, with lots of children excited to participate in their first Eucharist at school. Father Giles spoke about the different types of silences and reminded us of the importance of silence in our lives. Our Prayer Ambassadors wrote some wonderful reflective prayers thinking about the year gone and the year to come. We had our final Eucharist for this year led by Father Giles.

### Prayer Stations

Over the next week, children will be participating in Prayer Spaces across the school to reflect on their year and to learn about our link school Newton Jison in the Philippines. Here are Year 3 locating the Philippines on a map and reflecting at different stations.

## Extra Curricular activities

A great afternoon shared by the school netball team, past students, teachers and parents. Such sportsmanship and a win for..... Netball. Thank you Miss Matheson for organising this annual event and for all the Netball teams you have worked with during your time at Queen's.

## PSA News

### 🌟 Help Us Preserve History and Support The Queen's School! 🌟

Guess what? The Queen's School is about to become The King's School next term, but we have something special for you before that happens. We're offering limited edition A4 watercolour prints on top-notch textured paper, painted by an [amazing local artist](#) who happens to be one of our school parents.

These prints are pure magic! They capture the joy of our beloved school building with the Queen's sign, and carry so much sentimental value. By snagging one of these prints, you'll own a piece of our school's history and lend a hand in supporting our programs and ensuring a bright future for The King's School, as a portion of the proceeds from this print will go to the PSA.

Getting your own print is super easy, visit us at [PTA Events](#) and select - [Queen's Legacy Print](#) to place your order. We will have these ready for collection from the school before the end of the term.

Thank you for being part of The Queen's School community and helping us preserve our history. Let's embrace the future and empower the next generation of students together!

## A message from Niki Crookdake - Green Party Councillor for Mortlake & Barnes Common

As you know, Mortlake, East Sheen, Barnes, and Kew is squashed between the river, Richmond Park, the railway line and Barnes Common with few dedicated cycle lanes or safe pedestrian routes. There are also four level crossings in the area, which are down for over 40 mins an hour, with no safe waiting areas for children, prams and bikes at these dangerous junctions. The already inadequate transport infrastructure has been further impacted by the closure of Hammersmith Bridge and Richmond Park gates and disrupted bus and train schedules.

However, developers' transport assessments declare that virtually no action is required to mitigate for the impact of the additional residents and visitors on our area's transport systems, roads and pavements. This is why local groups are calling for an **independent transport review**, as developers' assessments do not reflect residents' experience of dangerous junctions, unreliable public transport, congested roads, and poor walking and cycling provision.

By 30 June, we need to reach the 1,000-signature threshold required to trigger a debate on the petition at the Full Council meeting on 11 July, **over 700 have already signed**.

**Your can support this petition if you live in Richmond, by copying and pasting the link below into their browser to sign online:** <https://www2.richmond.gov.uk/Account/ePetitionDetails.aspx?ID=168>

If you prefer to sign a paper copy, or have any queries, please contact Niki Crookdake via [cllr.n.crookdake@richmond.gov.uk](mailto:cllr.n.crookdake@richmond.gov.uk), as a number of local shops and pubs are hosting a paper copy of the petition.

**Do you know a child who could benefit from a boarding school education? Help us identify pupils for our September 2024 bursary/fee assisted places.**

**We warmly invite current Year 5 pupils and their families who are considering secondary education in September 2024 to our Open Morning on Saturday 9 September, book today.**

Christ's Hospital is unlike any other independent school in the UK; our pupils come from every possible background, which results in a social and cultural diversity that enriches our school community and offers our pupils unique opportunities as we prepare them to take their place in the modern world.

**Means-tested bursaries are granted to 650 of our 900 pupils**, which means they receive a **free or low-cost place**, based on their family income and circumstances.

Christ's Hospital was established over 470 years ago as a charitable boarding school and is proud to maintain its founding principles and ethos. It offers a boarding education of the strongest quality to children with academic potential, from **all backgrounds**, in a caring and supportive environment.

Our Open Morning is an opportunity for interested families and schools to visit us – everyone who visits is guaranteed a **very warm welcome** and is given the opportunity to tour the school plus the chance to meet staff and pupils.

Book now to attend our final open morning, before 2024 bursary applications close on **Friday 15 September 2023**.
