

Being Safe at The King's C of E Primary School

All the adults at The King's School want you to feel safe, happy and secure when you are here. Our adults also care about you and want you to enjoy being at school so you can be the best you can be.

We call what we do to look after you "SAFEGAURDING" and we want YOU to be part of the King's team that helps everyone stay safe at school—including looking out and supporting your friends.

Tell an adult if someone at school or home:

- Is bullying you
- Saying things that upset you or make you feel uncomfortable
- Touching you without permission
- Hitting or hurting you
- Taking your things
- Sending unkind messages on the internet or on your mobile phone

What else can you do?

If you don't feel comfortable speaking to an adult at school, you can:

- Phone Childline on 0800 11 11
- Phone the NSPCC on 0808 800 5000
