## SAYING GOODBYE TO THIS YEAR'S AMBASSADORS!

We have loved taking on the responsibility of being the Faith and Prayer Ambassadors of 2023-2024. We are looking forward to shadowing the new FPA's and we know they will continue to build on the courageous advocacy work we have started this year. We are all agents of change and we have certainly made a change this year. Thank you!

## THE PRAYER GARDEN

We have had the time this term to add to and decorate our beautiful prayer garden. We instructed each year group to write prayers to go in it and we attached these to hang off our prayer tree. We have been putting our leadership skills to the test and managing behaviour in it. We have also put colourful cushions, mindfulness colouring and religious books to read that are linked to our Learning Certainties. This is for all to enjoy. We have put together a rota of which year groups may come and spend time in the prayer garden, so that the area is a peaceful and calm place for all.

## COURAGEOUS ADVOCACY

### SPIRITUALITY AND NEWTON JISON

This Summer term we have been focusing our work around Spirituality. We have linked this to supporting our sister school in the Philippines, The Newton Jison School. Last Year we donated books to them so that they could develop their beautiful reading corner the children now have. This year we have written them letters and made artwork for them. We are planning a zoom call with the children at the school for September in order to get to know them better and ask them more questions. We delivered our own class based Worship again to different year groups on what we plan to do. This time we were less nervous as we had done one before...PHEW!!

On the 1<sup>st</sup> July we carried out our own Spirituality week. We also all took part in a Spirituality art competition. Within Spirituality there are four main aspects: Self, Others, Beyond and finally, Beauty. Each year group was assigned a different aspect and created a piece of artwork for that area of Spirituality. There were winners from each year group. Congratulations to: Reception: Pascal and Aliza; Yr 1: Kei and Sophie; Yr 2: Zhiwar and Frederick; Yr 3: Lola and Olive; Yr 4: Thomas and Arken; Yr 5: Isa; and Yr 6: Sophia and Blake.

## PRAYER

*Dear Lord,*

*We pray for the Newton Jison pupils. Please help us to appreciate the resources that we have and give us the courage to make new friends, connections and provide them with Love, Compassion and Respect. May the children in all countries in need of help and education, be given the rights and privileges they deserve as all God's children should have access to a bright education a future. Amen*
