Message from our new Faith and Prayer Ambassadors!

We are excited to introduce ourselves as your new Faith and Prayer Ambassadors. We are all eager to rise to the responsibility of representing our school values and acting as agents of change. We are ready for the challenge and want all our peers to know that everyone can be agents of change!

The Prayer Garden

This Autumn term we have been working hard to make sure the Prayer Garden is kept safe and valuable for all our peers. We have renewed our prayers on the tree and updated our timetable to make sure all children can access it properly. We are also planning to create posters to include information on our chosen Courageous Advocacy topic, so all our peers can read more about the cause we have selected to raise awareness and bring about change.

Courageous Advocacy: Down's Syndrome

This Autumn term we collectively chose a charity and a cause that we all cared about. We decided that we wanted to support and raise awareness for Down's Syndrome, as it has a close connection with one of our pupils. As a group, we discussed how we were going to make a difference - we really wanted our peers to understand and want to help too.

To inspire the school, we planned and delivered a Collective Worship, sharing our plan of action and how we hope to make a positive impact on the community.

On Friday 13th December we all came together with a heartfelt mission to support the Down's Syndrome Association, which was our chosen charity. We came up with the idea to raise funds through a delicious cake sale! Aside from raising awareness, the money raised would also help to support individuals with Down's Syndrome. Through teamwork, Faith, and dedication, we feel proud of the small difference we have made.

We are excited to choose our new topic for next term.

Prayer

Dear God,
Thank You for all the children You've made,
For their smiles, their hearts, and the love they share.
Help us to be kind and gentle, to care for those with
Down's Syndrome, everywhere. Give us the strength
to be patient and understanding.
And help us to love others just as You do.
Amen.
