

# Science Photo Challenge

Scroll through the photos to find the pairs

or

choose the odd one out.

Remember to try and explain your thinking

and how you worked it out.

Science Challenge 1 What am I? Can you find my pair?

Science Challenge 2 What am I? Can you find my close up?

## Science Challenge 4

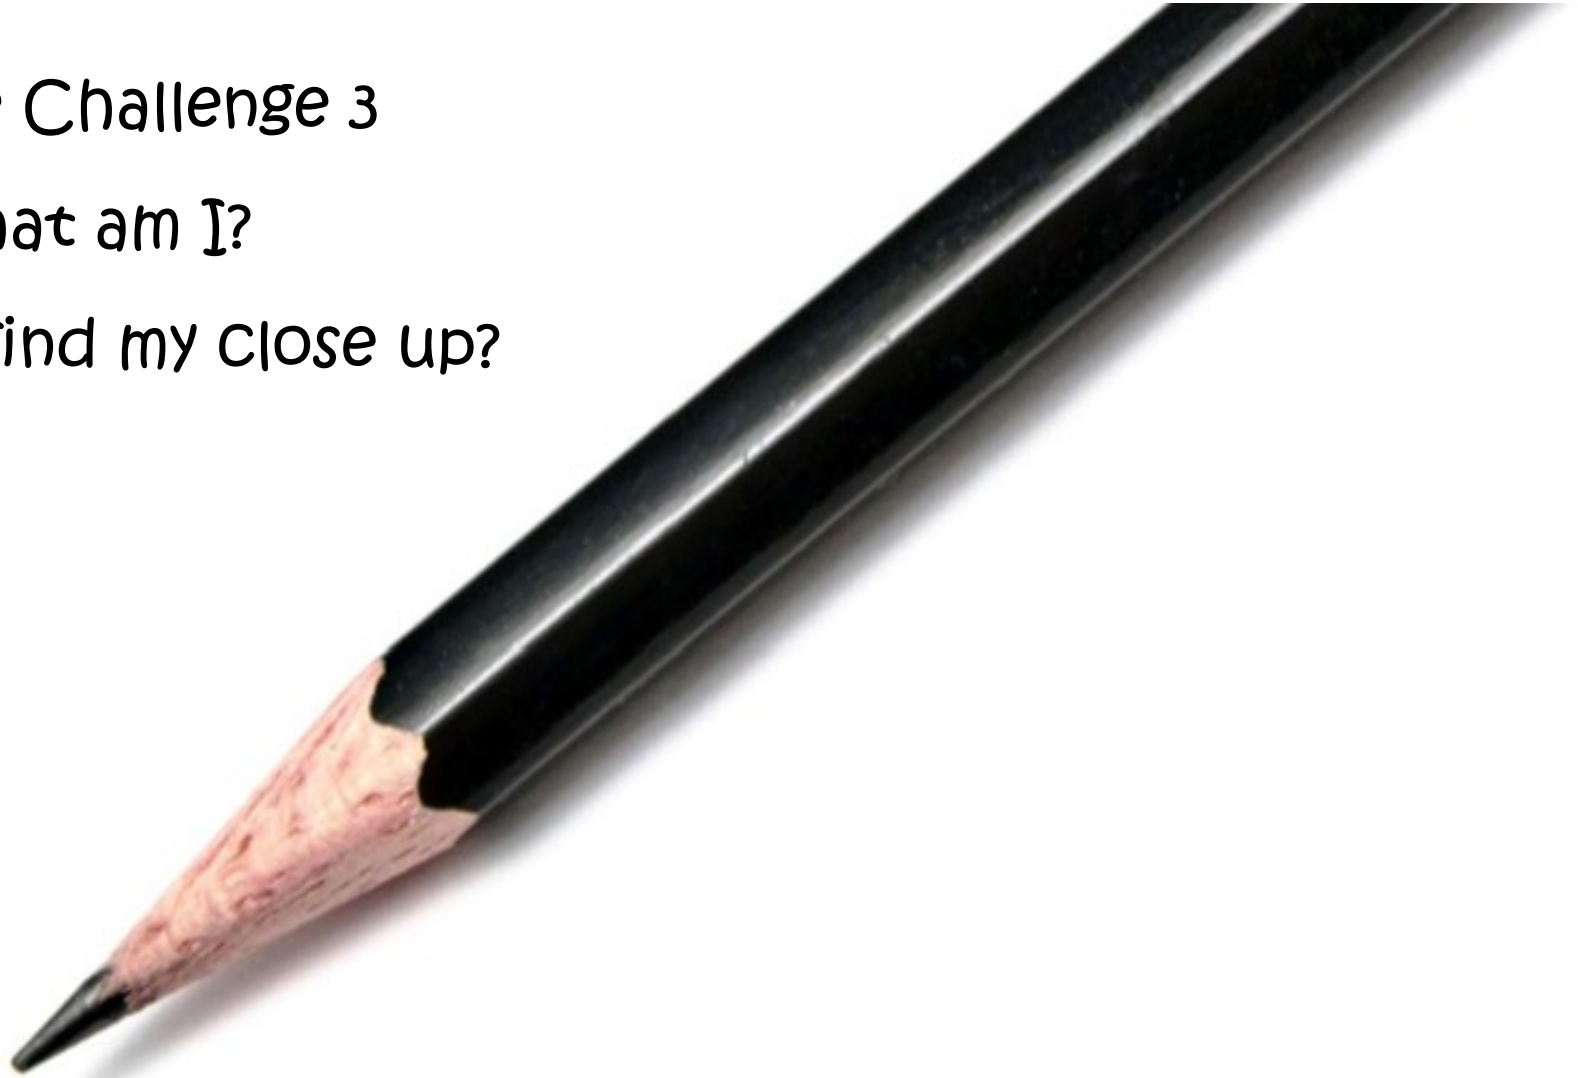

Which one is the odd one out? Why?

## Science Challenge 3

What am I?

Can you find my close up?
