

## Art

OL: to draw a lifelike picture of Wilbur.

WILF:

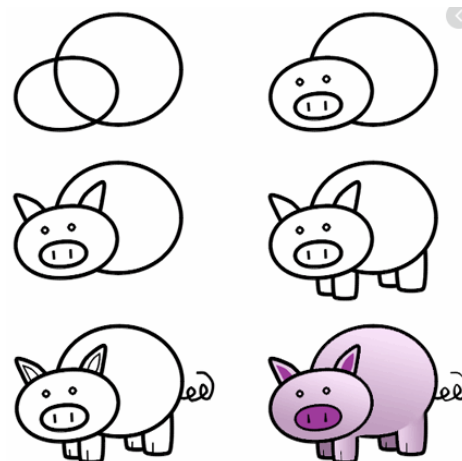

- Careful drawings
- Neat sketches
- Realistic colours and picture

Materials:

- Watercolours /paint (if you do not have paint use coloured pencils)
- A4 sheet of paper
- Pencil and eraser

This week we would like you to think about Wilbur from Charlotte's web. First watch one of the suggested videos on how to draw a pig or look at the picture below.

Use a pencil and carefully sketch your pig and then if you have paint, carefully paint your Wilbur to make him lifelike. You can use coloured pencils if you do not have paint.

Can you get your pig to look similar to one of these?
